Our new conveyancing software puts the information at your fingertips

Our new conveyancing system **keeps you in control** and your agent and mortgage company in the loop

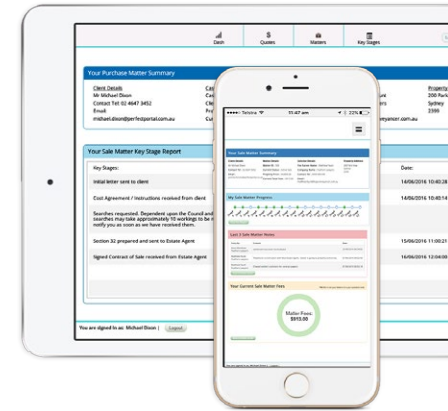

We are delighted to be able to offer you an improved interactive conveyancing service through our new web based quotation and referral system.

We pride ourselves on offering a personalised service and thanks to our conveyancing platform, a little more than your average law firm.

Our new technology allows you to keep track of your matter online, keeping you informed at any time, on any device, on how your matter is progressing.

It also keeps your real estate agent and mortgage adviser in the loop, ensuring transparency throughout the conveyancing process with all parties working together to complete your case as quickly as possible.

- **Fixed fees guaranteed with no hidden extras**
We provide you with a clear fixed fee quote, ensuring you are aware of the total cost from the start
- **Accessible**
Track how your matter is progressing from any device, 24/7, or call us, email us or visit us – whatever suits you
- **We work with your real estate agent and mortgage adviser**
A collaborative approach to ensure transparency and speedy completion

We make everything clear.
